2. Title: Voting procedures clarification

3. Text of the actual proposal:

Change the last sentence of bylaws 3.2 Membership

From:

Members of a Green local may vote on state issues at general state meetings and may serve on the Council.

To:

Members of a Green local and members at large may vote on state issues at general state meetings and may serve on the Council and may place nominations for state offices and representatives from the floor at a state meeting including for co-chair, secretary, treasurer, representative(s) to the National Committee and all members are eligible to run for any of these offices/positions.

Assign cleanup of bylaws and Procedures and Guidelines that conflict to the committee recommended by another proposal.

4. Background:

Historically nominations for state offices have been made from the floor at GPCO annual meetings.

Andrea as made unprecedented announcements that *“Nominees must be affiliated with the Green Party for at least six months prior, must be members in good standing of an active local”* and *“The deadline for all nominations is 9 pm on Saturday, August 5, 2017”*.

5. Justification/Goals:

There is some confusion about who can vote for what. The bylaws and Procedures and Guidelines are a little vague on state office positions. Andrea has issues a set of criteria that goes far beyond GPCO precedent and that essentially disqualifies the vast majority of GPCO members from running for office and/or making nominations.

6. Pros and Cons:

The key values of Grass roots democracy and Decentralization will be far better served by inclusion of all GPCO members in the decision-making process and removing barriers like pre-submittal requirements.

7. Alternatives to the proposal: Take no action.
