The following two documents, 3.3.b and 3.3.c, were submitted by RGV on August 26, 2017, summaries of communications being blocked:

Files for the declaration that the Jefferson County and Platte Valley chapters were inactive. Michael Haughey, one of GPCO/s/Respondents' critics, is the chair of the Jefferson County chapter. Bill Bartlett, who was forced to resign as GPCO co-chair, is the chair of the Platte Valley chapter. The Jefferson County chapter was voted back to active status at the annual meeting. Bill Bartlett has tried to avoid the GPCO turmoil since he was forced to resign, and at the annual meeting he chose not to pursue a vote on a return to active status for his chapter.
